Above £1bn:	By Negotiation			

*Please see notes overleaf on the definition of Zone 2 and key terms and conditions. CEEQUAL's full Terms and Conditions available separately from www.ceequal.com

CEEQUAL International Project Awards - Zone 2 'Gulf States and the Middle East' Feescale

CEEQUAL Zone 2 – Gulf States and Middle East:

Cyprus
Egypt
Israel
Lebanon
Jordan
Syria
Turkey
Georgia
Armenia
Azerbaijan
Iraq
Iran
Saudi Arabia
Bahrain
Qatar
United Arab Emirates
Oman
Yemen

This feescale needs to be read in conjunction with CEEQUAL's Terms and Conditions available separately but the following key points are:

1. Travel, hotel & subsistence expenses of the CEEQUAL Verifier are charged at cost in addition to the above fees. If it is cheaper for the project team to arrange such travel for the Verifier directly and pay for it themselves, CEEQUAL is content for such arrangements to be made.
2. The fees quoted are based on a Verifier travelling from the UK to the project site or the offices of a project team

member for scoping, including initial mentoring of first-time Assessors where appropriate, and for each verification associated with the Award – one verification for all except for a Whole Project with Interim Award, and two for a Whole Project with Interim Award.

3. If a Verifier is available closer to the project than the UK, then the fees will be adjusted appropriately. As the number of Verifiers working outside the UK increases, CEEQUAL will be able to reduce the quoted fees to allow for the reduced travel times involved.

4. The feescale is based on assumptions on the Verifiers' travel time. Should we be requested to verify a project in a particularly remote area, we reserve the right to charge additional fees related to the Verifiers travel time compared to that assumed in these fees.

5. For this Zone the Verifier's travel will normally be by Business Class to enable the Verifier to start work soon after arrival without any recovery time, and re-start their other work on return also without any recovery time.

If you think it could be helpful for your project to have separate assessments at the work

package level that can be then be aggregated into an overall score for the whole project, please call **Roger Venables** on **+44 (0)20 3137 2379** or **Ian Nicholson** on **+44 (0)1509 320100** to discuss the options available and the associated fees.
