2016 Outstanding Achievement Awards (OAAs)

The OAAs are a unique CEEQUAL award created to recognise and acknowledge projects/contracts that have demonstrated pinnacle best-practice performance in any of the assessment manual sections (e.g. project/contract strategy, ecology, water, transport, land use, physical resources) of their CEEQUAL Assessment, irrespective of the total score achieved for the overall Award. Visit www.ceequal.com/OAA_2013_ceremony.html to view the 2013 winners and runners up.

Please select the section(s) you are nominating your project/contract for:

- ☐ Project/Contract Strategy
- ☐ Project/Contract Management
- ☐ Effects on Neighbours, Users & Workforce
- ☐ Material Use
- ☐ Waste Management
- ☐ Land and Sea-bed Use
- ☐ Transport
- ☐ Landscape Issues (Rural, Townscape, Seascape)

- ☐ Historic Environment
- ☐ Ecology & Biodiversity
- ☐ Water Environment (Fresh & Marine)
- ☐ Relation with Local Community and Other Stakeholders
- ☐ Energy Consumption & Carbon Emissions
- ☐ Water Resources
- ☐ Flood Risk
- ☐ Restoration of Contaminated Land

Please continue to complete the form. Once you have finalised your nomination, send it to William Gates by email: william.gates@ceequal.com.
